

Privacy Policy:

Course registration information that is collected (i.e. Name, Firm Name, Email Address, License Number, NRDS number, Phone Number, and Local Association) is needed to verify registration of courses and to report credit to the proper licensing/membership authority as well as marketing or course updates such as cancellations or location changes.

Information that is gathered during the registration process is used for TREC registration and credit processes and/or verification of attendee/licensee, notification of licensee's local association of NAR required Code of Ethics course (if applicable), and BAM Education Systems, LLC dba Maybank Academy of Real Estate marketing research.

Only attendee's name, license number and/or NRDS number is shared with TREC or local association for recording of courses successfully taken in order for proper credit to be given. All other information is for BAM Education Systems, LLC dba Maybank Academy of Real Estate marketing research and is not shared with any other company or entity.

Registrants may "Opt Out" of supplying requested registration information by entering "N/A" in that field with the exception of Name, License Number, NRDS Number and Local Association as these fields are required to insure attendee receives correct credit from TREC or NAR.
